Ball- 7:16.18* (4th)
Frazier- 6:57.72* (3rd)
Berling- 7:31.67*

Quote of the Meet

"That was the scariest thing of my life- the water was so close to my jump!" Omer after the 2000 steeple chase

Great job at this high quality meet. If some of you go into the remainder of eth season with the confidence you gained last night then you will see huge performances at GWOC, Districts, Regionals and State. This is not unrealistic for any of our varsity athletes-

Believe and achieve!
