

ALTERNATE TRANSPORTATION REQUEST FORM

Centerville High School athletic transportation policy:

All transportation to and from away contests/events is the responsibility of the school system and will be provided by the school system. Athletes are required to travel to and from away contests in transportation provided by the school system. Athletes should not be transporting themselves to or from away contests. If a special situation occurs, the athlete must request approval from the athletic director 24 hours prior to the contest. Forms are available in the Athletic Office and must be signed by the athlete, athlete's parents, and coach prior to requesting the athletic director's approval. In these cases the athlete will be released only to their own parent/guardian.

Request for alternate transportation:

As parents/guardians of our son/daughter, we understand the school policy regarding transportation to and from contests/events. Unusual circumstances have arisen, as described below, that require our son/daughter to travel to or from an event by means other than school-provided transportation. We realize this alternate mode of transportation must be with the athlete's parent/guardian only.

We, therefore, give our complete approval and assume responsibility for the safety and well-being of our son/daughter as they travel to or from the event with us.

We understand that this request must be an unusual circumstance and approval must be given by the athletic director prior to the coach releasing the athlete.
